

Amicus International September 25-28, 2009 Cernica – Romania

7 minutes for you

Do you have a **special program** to share with us during the 4th edition of the Euro-Africa Division Amicus Convention?

Have you undertaken a **project** with other students that you would like to present to your European Amicus friends?

Do you have a **relevant report** on what your local Amicus chapter is doing?

If yes, this is an opportunity we would like to give to you and your Amicus group to share with us ideas and plans as a real testimony of what means to be proactive in this area.

In the schedule program, 5 periods of **7 minutes** each are consecrated to this kind of project reports.

Please, fill up the form below, in agreement with your Amicus National leader, and send it to Therese Sanchez, therese.sancez@euroafrica.org – deadline September 20, 2008.

A selection will be operated on the basis of these criteria:

1. It is a project report and not an administrative report
2. It is in harmony with the SDA principles
3. It is original
4. It is affordable and applicable anywhere
